Dear Registrar,

Re: *Jessica Ernst v Alberta Energy Regulator, Court file no. 36167*

Thank you for your letter regarding the possibility of a Canadian Parliamentary Press Gallery (“CPPG”) lock-up on the date on which the judgement in the above case will be released.

My client, Jessica Ernst, believes that it is better and fairer if the public and all media have equal access to the judgment in this case at the same time, and therefore respectfully declines to consent to a CPPG lock-up being held prior to the scheduled public release of the judgment. Similarly, Ms. Ernst does not request a separate lock-up for counsel.

Sincerely,

Murray Klippenstein

Encl.
