Dear Mr. Klippenstein, Mr. Solomon, Q.C.,

RE: Jessica Ernst - v. - Alberta Energy Regulator
File No.: 36167

Attached is the notice of hearing in respect to the above referenced appeal. The Court's agenda for the Winter session can be consulted on the Court's Web site at www.scc-csc.gc.ca by clicking on "Cases" and then on "Scheduled Hearings".

Please note that the time allocation for oral argument in this appeal shall be determined at a later date. In the case of an appeal as of right, the Court has directed that oral argument may be limited to thirty (30) minutes for each appellant and respondent instead of the one (1) hour normally allotted to each. If the allotted time is to be reduced, counsel will be so advised prior to the hearing date. If there is more than one appellant or more than one respondent, all of the appellants or all of the respondents, as the case may be, must share the time allotted (Rule 71(5)).

Once you have checked in at the Registry Office, you can proceed to the courtroom to set up or you can go to the Library which is located on the third floor, where you will find a comfortable lounge area as well as a private meeting room for counsel use on hearing days. This room is equipped with a telephone and has wireless internet access. Additional tables are also available in Room A of the Library.

Should you have any questions, you may contact us at (613) 996-8666.

Yours truly,

A handwritten signature in black ink, appearing to read 'N. Loreti'.
